Why donate?

The food bank relies on individuals, businesses, churches and clubs for the resources. THE FOOD BANK IS A FULLY 100% VOLUNTEER-BASED ORGANIZATION.

It is only through generous people like you that they are able to feed those who do not always have the means to feed themselves. Over fifteen thousand people are helped by the Hood Canal Food Bank each year! We need your help now more than ever. We can't do this without you.

Show your support to help the hungry in Hoodspart by making a donation today. Your gift, no matter how small, will help us make a difference.

What can you donate?

- Cash (receipts will be given for all cash donations)
- Non-perishable food items (for example, peanut butter, canned fruit and veggies, rice, pasta, beans, etc.)
- Pet supplies
- Baby foods
